Proposal Overview

Thank you for the opportunity to provide this proposal for Tester.

At Gridiron Pressure Washing, we understand that apartment communities need more than a basic rinse of exterior surfaces. A clean property supports curb appeal, resident satisfaction, and the overall image of the community.

Our goal is to provide an efficient, professional exterior cleaning solution that helps remove built-up dirt, grime, and organic buildup while allowing your maintenance team to stay focused on other priorities.

This proposal outlines the recommended scope of work and pricing for the services discussed.

Why Choose Us

- **Offers competitive pricing** with flexibility to fit your property's budget and priorities
- **Improves overall curb appeal** throughout the property
- **Removes buildup** that water alone often does not fully clean
- **Helps free up** on-site teams for other priorities
- **Provides dependable** and professional service

Recommended Scope of Work

The proposed services for Tester include:

- Building soft wash
- Breezeway cleaning
- Curb cleaning

The exact scope can be adjusted based on your priorities, budget, and the areas you would like addressed first.

Investment

EXTERIOR CLEANING PACKAGE
$3300.00

This pricing reflects the proposed scope discussed for the property. If you would like to prioritize certain areas or phase the project, we would be happy to revise the proposal accordingly.

Next Steps

If the proposal looks good, we would be happy to discuss scheduling, answer any questions, or make any adjustments needed to better fit the property's needs.

Thank you for the opportunity to provide this proposal. We appreciate your time and would welcome the chance to earn your business.
